DISTRIBUTOR PRODUCTIVITY REPORT

Gain all the benefits of a financial consultant, without spending the money to hire one!

NBWA's new Distributor Productivity Report (DPR) will help you pinpoint your company's operational strengths and weaknesses. The report uses industry-wide research and provides you with comparative information to evaluate your firm's financial and operating performance. The DPR is based on the most recent data available from 2018.

- It will provide you with information to achieve:
- Higher profitability
 - Increased productivity
 - Improved business processes

To receive a copy of the DPR, please complete this form and return with payment to:
NBWA - 1101 King Street, Suite 600 - Alexandria, VA 22314-2944, Attn: Jenna Sugg or jsugg@nbwa.org
